

Faithfulness Inventory

This stewardship inventory is designed to help you to think about the various things God has entrusted you with, how you can be faithful with each of them right now, and how you can continue to hold them with an open hand toward God. A few items have been listed for you, but you can fill in many more on your own. Remember, faithfulness is not an attempt to earn God's favor and reward, we can only receive those things through Jesus' sacrificial gift of grace on our behalf. We don't have to achieve an identity, we've already received one in Christ! Yet, as recipients of God's great gift of salvation, we are to serve Him diligently with all of life.
